ORD 2350-65

24 August 1965

MEMORANDUM FOR: Deputy Director for Science and Technology

SUBJECT: Report Resumes

1. In order to attain the greatest possible benefit to the Agency from the research and development work being carried out by this office, ORD proposes to issue resumes of reports received from contractors.

2. These resumes, issued as need demands, would be distributed on a strict need-to-know basis, through the Deputy Directors who may be concerned. Additional details of the report and/or program covered by the resume would be provided by the Technical Officer as security requirements permit.
